REPORT OF OFFICERS

Guy summarized the event committee meeting discussions.

Lucille told Frank congratulations and we will miss him. He has been an asset to the City.

Mayor Baze would like Larry to look into having Rodger Nichols sit in on our executive sessions. He does it over at the City of The Dalles in Oregon. It would put an end to the he said / she said arguments. Larry said he will get some advice from our attorney.

I have appointed Jerry Koch to the planning commission. Jerry has the experience so I thought he would be best for this commission. Guy asked if we had another application for the planning commission and he's sitting in the audience? Larry said this is a Mayoral appointed position. Guy said we are choosing someone from outside the city versus someone from inside the city. Mayor Baze said we have two appointees from the Board of Adjustment that live in the city limits.

It was moved by Council Member Gary Hoctor, seconded by Council Member Mike Canon, to approve the Mayor's appointment of Jerry Koch to the planning commission.

Attached are:

- Advertisement to Bid
- Engineer's Estimate

As you know March 24, 2014 the Mill Street Bridge was damaged. Since that time we have been working with the insurance company for the driver of truck involved in the accident correct the damage done to the bridge. The plans and specifications for the repair were finished last year and are ready for bid. We are prepared to complete this work and issue a claim to the insurance for reimbursement.

I recommended approving a capital outlay for the Mill Street Bridge repair for an amount not to exceed $40,000.
