Three Marijuana Search Warrants:

Goldendale, Washington August 25, 2008 –The Goldendale Police Department has conducted three search warrants inside the city limits of Goldendale in the past three weeks. The search warrants resulted in 6 adults being charged with drug charges, a marijuana plant grow, packaged marijuana ready for distribution, and various smoking devices.

All three residences searched were a result of long term investigations done by the Goldendale Police Detective, Mike Smith. Detective Smith had been watching the three residences and concluded it was obvious they were conducting illegal activity. Detective Smith continued to gather information until he had enough to obtain the search warrants.

The Goldendale Police Department would like to thank the citizens in these neighborhoods where the searched residences were located for their patience and their continued support of the Goldendale Police Department. It is always easier when the citizens of Goldendale partner with the police department in fighting the crime on drugs.
