Vehicle Vs. Pedestrian in Goldendale:

Goldendale, Washington December 29th, 2009 –

On December 28th, 2009 at about 4:42pm, Goldendale Police Officer Dwayne Matulovich responded to the intersection of South Columbus and Collins Street for a vehicle vs. pedestrian accident.

A 14 year old female was walking west in the cross walk at Columbus and Collins when a vehicle driven by a 75 year old female struck the 14 year old. The driver immediately pulled over. The 14 year old was transported to the Klickitat Valley Hospital by ambulance and later released with no reports of serious injury.

Statements received at the scene indicate that the 14 year old was in the cross walk and the driver just didn't see the girl.

Washington State Patrol is assisting the Goldendale Police Department and the case is still under investigation. No charges have been filed at this time.
